LB 255A, 398, 485A, 590, 864, 882

SENATOR WILL: One minute.

SENATOR BROMM: And I think we'll get to that, if not on General File, if the bill advances, on Select File. Thank you.

SENATOR WILL: Thank you, Senator Bromm. Mr. Clerk, items for the record.

CLERK: Mr. President, new.... Thank you. New bill. (Read LB 255A by title for the first time.) I have an explanation of vote from Senator Schmitt to be printed. A committee report, your Committee on Transportation reports LB 590 to General File. They also offer a gubernatorial or confirmation hearing report. Senator Bohlke has amendments to (LB) 864; Senator Abboud to (LB) 398; Senator Hudkins to (LB) 485A. That's all that I have, thank you, Mr. President. (See pages 1324-25 of the Legislative Journal.)

SENATOR WILL: Thank you, Mr. Clerk. Returning to debate on Senator Chambers' amendment to the Engel amendment. Senator Witek.

SENATOR WITEK: Thank you, Mr. Chairman, members of the body. Senator Engel, could I ask you a few more questions?

SENATOR ENGEL: Yes.

SENATOR WITEK: We were talking about the aftercare portions of this concept, and I just wanted to know what they're...what they're going to do about aftercare, if it is just the portions that we're paying for now with the monitoring, or if we're going to have a new concept here?

SENATOR ENGEL: Senator Witek, you know, there will be counseling and, in the...while they're in the camp. And then
